

BIG change coming to your NSCCU DEBIT CARD.

Beginning June 21, you can request additional cash back at purchase time and save yourself ATM fees!

At the checkout, swipe your NSCCU debit card, and simply **enter your PIN**, instead of signing, to finish the transaction. With a NSCCU Star branded debit card it's EASY!

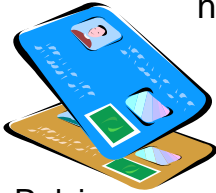

If the merchant doesn't accept the STAR brand, or you've forgotten your PIN, you can always select "credit" and continue on with a signature transaction.
