Arrive at the beautiful Dakota Sun Garden Winery located just North of Carrington where lunch will be served. Then to New Rockford to the Old Church Theater for the play Forever Plaid. After the play we will head over to the New Rockford Latte Lobby for a delicious meal. (Stuffed Chicken Breasts) While being entertained by the fabulous Jessica Hawkes (of Belleville).

The flower gardens are scattered throughout the yard. This is not a formal garden, with the belief that the highest degree of beauty is nature itself, in an unrestrained form. The beds vary in size and shape and are interspersed with stone, rock, logs, driftwood and several pieces of metal art. The beds are largely non color coordinated. Most beds are perennial based but with hundreds of annuals added for a more consistent color through out the season. Included in the beauty of the landscaping are three small ponds, waterfalls and a stream bed. Some of the base core perennials are black-eyed susans, sunflowers, day lilies, monarda, grasses and shrubs in the sunny areas. Some shade perennials are hosta, astillbe, ferns, and vines, such as clematis, trumpet vines and wisteria.

When four young singers are killed in a car crash, they posthumously take the stage for one final gig in this goofy, 1950s nostalgia trip. This deliciously fun revue is chock-full of classic barbershop quartet harmonies and pitch-perfect melodies!

Jessica Hawkes, singer/ guitarist for the band Belleville, brings acoustic covers of favorite tunes from half a century of music and beyond in her solo performances. Sing along, or sit back and enjoy the soft melodies.
